Dear Parent Odyssey of Science & Arts Participant,

Welcome to Western Washington University and Odyssey of Science & Arts. We have a week full of learning adventures planned for you! Please check your registration receipt for the dates of your child’s program session and keep this as reference for duration of their program.

Drive Thru Drop off and Pick up:

For drop off and pick up for this event, there will be a drive-thru system in place. Please prepare for this by being prompt to the Drop Off and Pick Up time/location and have students ready for a quick check in.

Drop Off:
Monday through Friday, check in will begin in parking lot 17G between 8:10 and 8:30 a.m.

Pick Up:
Monday through Friday, check out will begin in parking lot 17G at 4:50 p.m.

Note that supervision will not be provided for children prior to 8:10am or after 5:15pm. If you will be late to drop off in the morning, you will need to pay to park in one of the open parking lots and walk your child to the drop off location.

All students must be checked in and checked out with Youth Programs staff each day so that we can ensure that all students arrive and leave safely. All students must be signed out by an authorized parent or guardian at the conclusion of each day. If students plan to walk, ride a bus, or bike home, they must have written parental authorization to submit at check-in. In that case, students may sign themselves out daily with program staff.

Authorized Pick Up:
During the time of registration, we ask you for Authorized Pick Up information. If you know of any other people that may pick up your child from camp, please email us their name and phone number at youth@wwu.edu or send your child with a note at check in so that we can add them to our list.
