Camper Behavior Policy:
It is our intention to provide your child with a safe and secure environment. We attempt to create a warm, comfortable, and fun atmosphere that will make your child look forward to coming to camp each day. We are here for your child and the other children to have a positive camp experience. We have a 3-point program, outlined below, which will help the camp families and our staff understand and enforce our rules fairly. Please be advised, there are certain behaviors that will take away from our positive camp experience such as: physical aggression, stealing, defiance in following the camp counselors instructions, and/or repeated incidents of inappropriate language.

In order to promote consistent expectation around behavior among campers, we have an established a good behavior program. Our program stresses good citizenship with an emphasis on the following:

1) Safety.
2) Cooperation and participation are required both in group activities and with other campers.
3) Respect those around you, both campers and staff.
4) Respect for property.
5) Appropriate language and dress at all times.
6) Do not borrow from others without permission.
7) Be a good sport.

If a camper has difficulty with our behavior program our first response will be to verbally intervene and help your child understand the impact his/her behavior is having on the positive camp experience. If his/her behavior continues to be disruptive we will contact the parent/guardian to come and pick up your child. The child will then be ask to not return for the remainder of the day and possibly for the remainder of the camp depending on the nature of the behavior issue. The camp director will record the incident and outline the consequences of the behavior with the camper and his/her parent/guardian. Should a camper need to be release from camp for behavior issues, camp fees are non-refundable.

The 3-Point Behavior Plan:
1) Verbal warning or time out to the camper. (Parent/guardian will be notified of the incident). Options 2 and 3 will be implemented based on the nature of the behavior issue and will be made with consultation of the camp director and SRC management.

2) Parent/guardian contacted to pick up child immediately with the child missing the rest of the camp day.

3) Parent/guardian contacted to pick up child immediately with the child ask to not return to camp. The fees for the week the camper is ask to not return are non-refundable. In the case were the camper is signed up for multiple weeks the parent/guardian will be refunded for the other weeks minus the $50 cancellation fee.

Child Will Abide By Rules and Regulations:
My child agrees to abide by all Western Kids Camp and WWU rules and regulations while attending Western Kids Camp and will comply with all Western Kids Camp staff instructions. My child understands that violation of the rules and regulations is grounds for immediate dismissal without refund, and may subject the violator to prosecution.
